

DECLARATION OF LOCAL STATE OF DISASTER

WHEREAS, the health, life, and property of the residents of Menard County is under an imminent threat of disaster from the human trafficking occurring on our border with Mexico. The ongoing border crisis has resulted in illegal aliens invading neighboring counties, and could spread to Menard County, which will lead to overwhelming our local, state, and federal law enforcement. This continual violation of our sovereignty and territorial integrity could result in residents of Menard County being assaulted, threatened with violence, and robbed, while also sustaining vast amounts of property damage; and

WHEREAS, the public health and safety of the residents of Menard County is under an imminent threat of disaster from an elevated risk of exposure to unknown variants of COVID-19 resulting from the human trafficking occurring on our border with Mexico. The limited resources of Menard County cannot adequately furnish the necessary procedures and facilities set forth by the Centers for Disease Control and Prevention for the testing and quarantining of thousands of illegal aliens who may be infected with unknown variants of COVID-19, or other infectious diseases that residents have not been vaccinated for; and

WHEREAS, Menard County along with Kimble, Mason, Edwards, and McCulloch Counties that comprise the 452nd Judicial District are affected by the border crisis due to their proximity to the border, their rural landscape, and the multiple highways that run from the Mexico border through those counties, and
